Dreams stay big, yeah, they never  
split,  
Even if I fall, I won't quit.  
Step by step, yeah, I climb bit by bit,  
Every step counts, I'm building my  
grit

(Verse 2)

Storms might come, but I won't sit,  
Push right through, I'm built for it.  
Hard work pays, gotta stay legit,  
When I see a goal, I aim and hit.

(Verse 3)

Doubt creeps in? Nah, I won't submit,  
Confidence strong,

I was made for this.  
Tough like steel, I don't throw a fit,  
Keep on movin', I don't ever quit.
